According to art. 3, par. 5 of Joint Ministerial Decision KYA with No. YPEN/DIE/12468/434 for household consumers and art. 3, par. 3 of Joint Ministerial Decision with No. YPEN/DIE/12477/435 for non-household electricity consumers (Official Government Gazette B' 603/2022), if the final rate after the government Subsidy E.T.F. results a negative commission charge, the supplier applies a zero charge.

Changes in rates are posted [HERE](#) every month, on the 20th day of the month preceding the month they apply.

The Government subsidy E.T.F. and the Final Electricity Rate of each month will be posted immediately after the Joint Ministerial Decision KYA regarding the Government subsidy E.T.F. per category of consumers for the corresponding month.

* In case of reaching the energy saving target.

** Especially for non-households with SI ≤ 35 kVA, for bakeries regardless of power, as well as for non-households with an Agricultural Tariff regardless of power, the amounts of the Government subsidy E.T.F. that are listed include the additional Government subsidy E.T.F., where it is foreseen, and which will be attributed to the beneficiaries retroactively, when the required Joint Ministerial Decision (K.Y.A.) is issued, which is expected and which will specify its application.
